Reception Class Homework

Monday	School library book. This is for you to read with your child. Please bring back the book by the following Monday to be changed for another book. Please note that we do not hand out library books over the school holidays.
Tuesday	
Wednesday	
Thursday	
Friday	Reading book and phonics work Homework sheet

Reception class children are still very young. The homework is set over a period of a few days so that if your child is too tired to complete it in one evening, you can space it out over those days.

We do not want to put children off by forcing them to do work. A small amount of time given each evening or weekend to play board games or revise their phonics will benefit your child and help them progress.

Thank you for your continued support.
